~Come join the team at Kitsap Peninsula's Premier Ambulatory Surgery Center~

Our mission at Pacific Surgery Center is to provide the highest quality surgical care in a safe, comfortable and caring environment. We are a physician-owned facility specializing in a broad variety of outpatient procedures such as pain management, ENT, Endoscopy, Facial and Full Body Plastic Surgery, General Surgery, Gynecology, Ophthalmology, Podiatry, Oncology and Urology. Pacific Surgery Center opened in 1985 and was among the very first outpatient surgery centers in the county.

Our nursing staff provides care for a variety of outpatient surgical services including general surgery, gynecology, plastics, ophthalmology, podiatry, pain management, etc.

Responsibilities include:

- Performing direct patient care postoperatively.
- Assessing, documenting and managing postoperative pain.
- Must demonstrate ability to assess airway adequacy and intervene quickly and appropriately when necessary.
- Must demonstrate proficiency with cardiac monitoring and interpretation.
- Providing post-surgical home care instructions.
- Must demonstrate understanding and knowledge of all phases of recovery nursing principles and expectations.

Required Skills:

- Must possess excellent communication skills.
- Must be able to prioritize, organize and multi-task.
- Must be a team player in providing care that encompasses compassion, collaboration and trust.
- Must remain calm and effective in stressful situations and take initiative in emergency situations.
- Excellent organizational skills and attention to detail. Prioritizes work as department needs change.
Education/Training Level Qualifications:

- RN from a licensed school and license in good standing with Washington State
- 1+ years PACU experience, with an understanding of outpatient surgery
- Will take into consideration other nursing experiences if none PACU
- BLS Certified. ACLS and PALS certification required and is offered on site if not currently certified.

Scrubs and lunches are provided daily. Additionally, you will have nights and weekends free and you will never be on call. We value flexibility and a good work/life balance. If you are interested in helping us provide the best possible care to our community, please email your resume and a cover letter to Daria at jobs@pacificsurgerycenter.com. Thank you!
